## Top Scorer— 2016 Teachers' Exam

**Mrs. Valrie Marston**  
*1<sup>st</sup> Place winner of the 2016 JBU Sunday School Teachers' Exam*

Congratulations to Mrs. Valrie Marston from the Hopewell Baptist Church, Hanover, for scoring the highest in the Teachers' Sunday School Exam in 2016. This first-place winner has sat the Teachers' Exam twice: In 2015 she received an Honours Certificate; in 2016 she was the top scorer.

Mrs. Marston, a pharmacist by profession, has been teacher of the Senior Adults Sunday School class at Hopewell Baptist since

2010. She puts her very best into this ministry, and begins preparing her lesson on Monday of each week.

She attends teacher-training sessions organized by the JBU in order to im-

prove her teaching skills. Mrs. Marston also has a heart for teens and young adults, and advises older adults to mentor these young people.

## Teaching Tip for Sunday School

Use technology to make your class enjoy the teaching-learning experience.

For example, why not start a WhatsApp group for your Sunday School class? You may use that facility to interact with your students – to start and/or continue a discussion in relation to a given lesson.
